Palestine:

An **Anthology** of Art

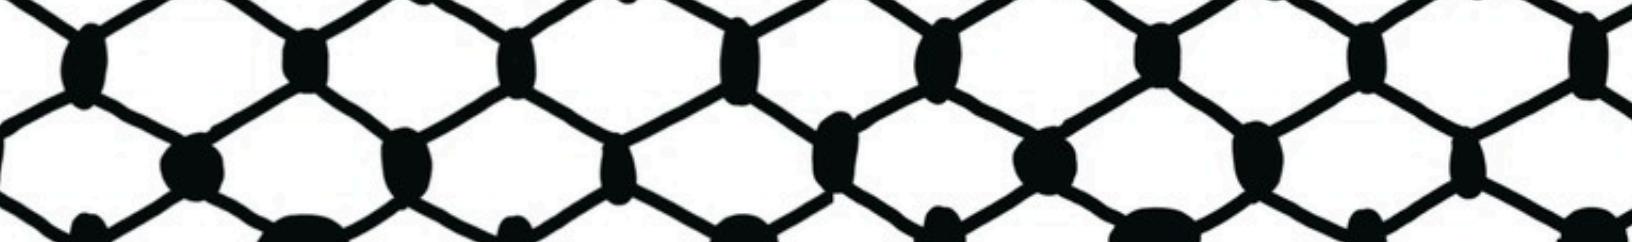

For the Children of Palestine
Our Conscious Learner

For the children of Palestine from the children around the globe.

Artworks created by children in support and solidarity for
the Palestinian children.

Foreword

Anas ibn Malik (may Allah be pleased with him) reported that the Prophet (may Allah bless him and grant him peace) said,

"If the Final Hour comes while you have a shoot of a plant in your hands and it is possible to plant it before the Hour comes, you should plant it."
(Sahih, Al Albani)

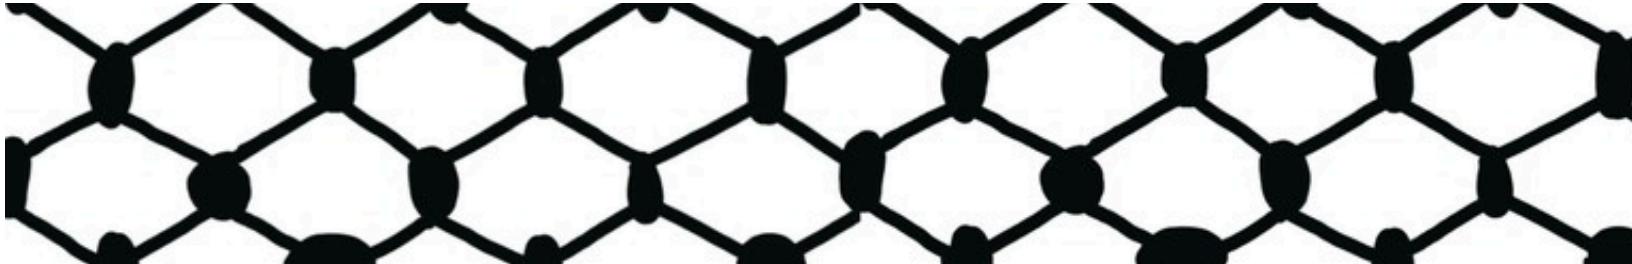

This is our genuine effort for children of Palestine. But, moresoever I believe this is for us. The rewards, the implications and the efforts are all reciprocated.

I would like to express deep gratitude to all the mothers who inquired, submitted their children's pieces of artworks, worked with them and guided them. As well as, to mothers who came forward and said sincere du'as , may this be heavy on your scale of deeds, ameen.

From the outside it may seem just a few pieces of art compiled together but in reality this serves as your effort in putting forth the good that you deemed necessary and obligated within your capacity. This is surely seen insha Allah.

May Allah SWT accept this miniscule effort from all of us and may we see a de-shackled Palestine and the dominance of the Muslim world as a whole on this world. Ameen!

With all duas,
Namra Khurshid
